

## Faith and Sexuality Resource

The Faith and Sexuality Resource is a basic course involving video series and discussion groups for Singaporean churches covering Biblical sexuality in light of the overarching Biblical narrative (creation-fall-redemption-consummation).

The Task Force, led by Jason Wong and team, is seeking wide participation across different age groups and denominations.

They are inviting NCCS member churches to participate by:

- Providing theological and pastoral input, etc.
- Contributing funding to the project
- Inviting their young people aged 13 to 25 to join the Task Force's focus-group discussions to share their views, concerns, questions, etc. on such topics

Please contact Mr Darius Lee ([dariuslee1988@gmail.com](mailto:dariuslee1988@gmail.com)) if your church is keen to support the project, or to explore other avenues of support.
